Compatriots and my Brothers All:

Another outstanding month of activities for the Heartsill Camp, and its members. We started the month off meeting with the new PR Director about the cemeteries; we had members attend the Louisiana Division Reunion and the Texas Division Reunions. We had members who are SOB's help dedicate a new marker at the Mansfield Battlefield to remember the Boy's in Blue, we gave final salutes to Jimmy and Glenda Moore. All the hard work our Camp and members performed over the last year was rewarded at the Texas Division Reunion. Not only with awards but our Camp will go into the historical records of award winners with the Texas Division. I truly believe we are making W. W. Heartsill and our ancestors proud of our work. You should have received your dues notice by now and if you did not get it let us know so you are not missed. The SCV National Reunion is up next and I submitted our Camp and its members for National Awards. I hope TJ and I will be bringing back more awards for our Camp's hard work. Robert Bailey will be sharing the history of the 17th Texas Cavalry flag that is in our Harrison County Museum.

Bill Elliott, Commander, at your service.

How Do I Join The Sons of Confederate Veterans?

The SCV is the direct heir of the United Confederate Veterans. Organized at Richmond, Virginia in 1896, the SCV continues to serve as a historical, patriotic, and non-political organization dedicated to ensuring that a true history of the 1861-1865 period is preserved. Membership in the Sons of Confederate Veterans is open to all male descendants of any veteran who served honorably in the Confederate armed forces. Membership can be obtained through either lineal or collateral family lines and kinship to a veteran must be documented genealogically. The minimum age for full membership is 12, but there is no minimum for Cadet Membership.
